Christ will never leave us through the presence of the ACTS (A Call To Share)

WE CAN SAY THAT CHRIST CONTINUES HIS MISSION OF TAKING CARE OF THE POOR AND NEEDY THROUGH THESE THOUGHTFUL PEOPLE WHO ARE WILLING TO SERVE AND IN SEARCH OF THE POOR!

The witnesses of ACTS touched us to grow more in our missionary zeal.

The ACTS are really committed and fully dedicated themselves in their voluntary service. The people who involved young and old are well organized in their group and fully involved in the mission with much interest and enthusiasm. They are simple, joyful, friendly, welcoming with everyone and committed in their activities. Before starting the work to carry out there was well planned and organization which involved to everyone who are going to participate in the mission.

During the mandate of their mission, we as the Salesian Sisters have seen them their enthusiasm and participation of everybody with much joy and commitment. The witnesses of ACTS group enlighten us to be a “joyful giver” in the field of God, for we saw them in giving themselves in the mission was the persons who served the Lord joyfully and selflessly. By their fully commitment of planning and passion we were helped in the mission of education for the young girls who are at risk. In the village where we are moving about to reach out for their needs they were there with us to support and stand for their needs. We are grateful to the Lord who continues to stand with us for His mission to carry out and reach out to the periphery with the voluntary service of ACTS.

Thank you our dear friends of ACTS of the whole group for the love you have for the poor and needy ones, for you have heard and responded “a call to share” His love those who need it. Thank you for your joyful committed service in the Mission of Christ. We thank you not only what you have done but of WHO YOU ARE!
